They both were here today. I was going to give you the information when I got to E2 today. They both have agreed on Wednesday, 2-16-05 at 0900am.

Re: Administrative

Did we ever determine a date/time to meet with Drake and Pipkin and Sandy?

Re: Administrative

Jackie,

0900 on Next Tuesday at the RMF is fine.

Ms. Pipkin is to be there. We will meet with Drake first as per below. It is up to you whether to tell Drake Pipkin will be available or not. She can take it or leave it. ~~We are there to discuss the issues and not have her use it as a bashing session for her personal agenda.~~

Let me know if this is OK with all parties.

Thanks

David

Re: Administrative

9:00 is ok with me. I agree that Ms. Pipkin should have the chance to defend herself so Ms. Drake does not have a choice in this. We may meet with Ms. Drake first to briefly discuss her concerns. But, I think Ms. Pipke should be waiting in the wings.

Sandy

I can agree to Tuesday at 0900, but I am not certain I can agree to say no pipkin. If she is making allegations against her she has a right to defend herself and we have the right to hear both sides of the story.

Keep pitching we need both available. No huge hurry. We will be patient. Let Sandy and I know what can be agreed to.

I spoke with Ms. Drake. She prefers 0900a on Tuesday and without Ms. Pipkin. There will be coverage until 1pm and if it runs over, one of the nurses will have to relieve in the pill room.

*My preference would be to switch the shift so we are not pushed for time, but she should also be offered a choice if she wants to participate. You may want to let her know what the deal is and see what she says or if she has a preference...*

Ms. Drake is scheduled to work "B" shift. Do you want to do it before her shift or would it be better to switch her and do it after she gets off at 11:15a?
